

Conference facilities at the Samaria Hotel

A 150 m2 daylight multi-function hall equipped with a full range of audiovisual aids provides an ideal venue for meetings and training sessions of 12-140 persons.

Furthermore we have extensive audio visual equipment available.

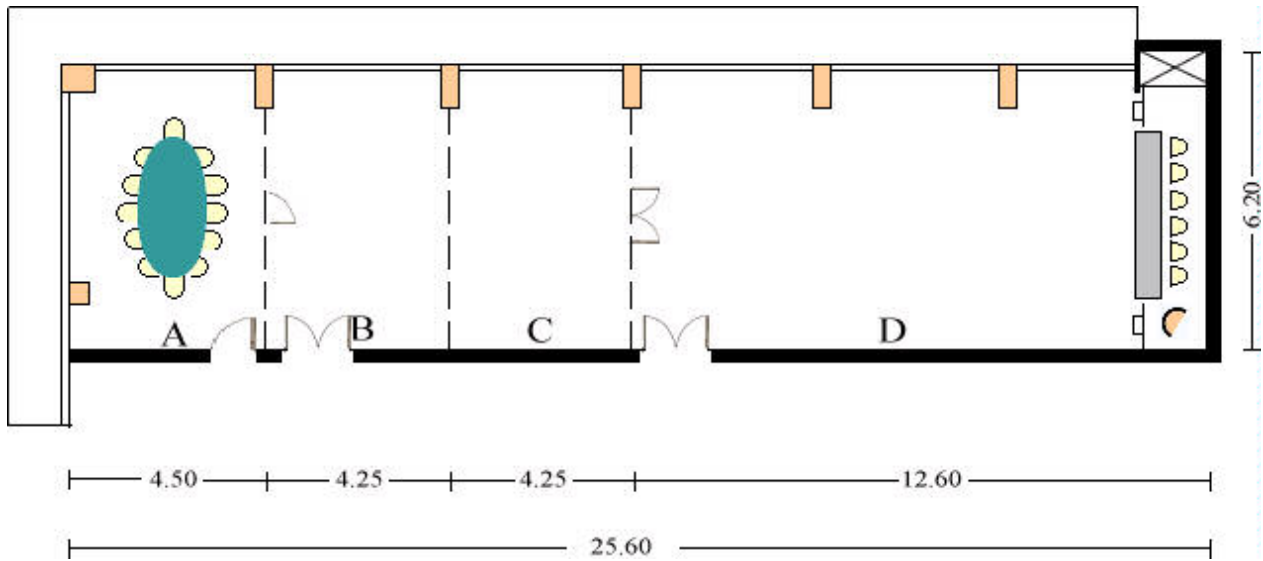

- Microphones
- Wireless Microphones
- Slide projectors (Kodak carousel) with wireless control
- DVD
- OHP projectors
- Video / data projector (Barco, model Barcodata 801 s)
- Video (VHS / Super VHS)
- Flip charts
- Laser pointers
- Screens
- Wireless High Speed Internet Access

The rooms can be set up in different styles (theatre style, classroom style, U-shape etc.). For the classroom style we have tables available each having a size of 120x 40 cm, which is suitable for 2 persons.
